Available in any of these RAL colors

7004	7016	9005	9016	6002	1015
------	------	------	------	------	------

The Milet Recessed Wall Series is specially designed to deliver low glare halogen lighting to steps, open areas, corridors and pathways. The fixture has a die cast aluminium body painted with electrostatic powder paint. The slated or open covers come in an aluminium or aluminium / stainless steel finish. A polycarbonate recessing box is included for installation into concrete. The cable on site can be securely connected to the fixture via a PG9 cable gland.
