DION 5

WALL AND GROUND BOLLARDS
Class I IP65 IK08

Available in any of these RAL colors

7004 7016 9005 9016 6002 1015

EMFA's Dion series combines a die-cast aluminium head with an extrusion aluminium pipe to provide a sturdy, outdoor bollard. The bollards are designed to light pathways, landscapes and open spaces. The unit comes with 5 different heads for various light outputs and applications. A screwless bayonet lock system allows for easy dismounting of the head. The unit comes in 4 sizes: 300mm, 450mm, 700mm, and 1100mm, as well as with 3 lamp options: LED, Fluorescent, Metal Halide. In combination with the fluorescent lamp, an optional LED pilot lamp is available to light the bollard when the primary light source is off to continue marking a path while saving energy. An optional galvanized steel anchorage kit is available for mounting into concrete. An alternative option is sleeve anchors for mounting onto existing concrete.

Head
Die cast aluminium
With Screwless lock system
(Electrical lock on request)
Inner Asymmetrical Grill
Polycarbonate

Diffuser
Clear polycarbonate
Pipe
Extrusion aluminium
Paint
Electrostatic powder
